

Thank you for your interest in participating in rayatnight. The gallery and business owners in the North Park Art & Culture District are dedicated to providing an interesting experience for the public in which they can view and purchase a variety of quality artwork every month. To this end we are accepting applications to rent space on the street in which to show your artwork.

This is a juried show. Our panel will review your application and portfolio to determine if we have space available. In order to provide variety we may limit what work is shown in any given month. If your application is accepted then you will be given a choice of months to show. Upon review of your first month's showing you may be extended automatic acceptance for future months.

The number of booths in a given month may vary depending upon other events planned for the evening. In general, the breakdown and cost is as follows:

- Artist Space: 12 available, \$60
- Art Student: 5 available, \$25
- Non-Profit 501C: 1 available, no cost for space or application fee.

Each space is approximately 10'x10'. We will provide an outlet for lighting. No other electrical or gas equipment is allowed without consent of the organizer. You are required to bring whatever setup you need to show your work. Pop-up canopies are allowed, full 3 or 4 walled tents are not. We want to maintain an open visual field for the businesses behind your space.

Your work must be original. Giclée prints are acceptable as long as you are showing original artwork. Digital and photographic prints are understood as original.

Once accepted you may show up to 6 times per year, every other month. This is to maintain variety from month to month. If you show in multiple months you must be showing some new work.

Students enrolled in art programs will be accepted for the student spaces. Students may only show twice per year with a 6 month space between showings.

The non-profit space is available to any registered 501C organization that is art affiliated or deemed appropriate for participation in the artwalk. Non-profits must submit an application.

There is a one-time application fee of \$10 for any type of space. To apply, please fill out the information on the following page. You will need to submit your \$10 application fee with your filled out application. Please make the checks out to "Cirello Gallery". The check and application form should be mailed or delivered to:

Warp 9 Imaging
3820 ½ Ray Street
San Diego, CA 92104
619-677-2118

If you are accepted into the show then you will have 5 days in which to pay your space fee and reserve a space.

Thank you.
